

Instructions for Online Access to the Journal of Raptor Research

9 February 2018

Current members of the Raptor Research Foundation have online access to the Journal of Raptor Research through BioOne. Members must first log into the Member Portal and follow the directions in this guide to confirm your active RRF membership with BioOne.

Step 1: Login to the Member Portal <https://customer265664c9b.portal.membersuite.com/Login.aspx>

Step 2: On the home page, scroll down to the "My Membership" section on the bottom left of the screen. Click "View RRF...". See screen shot below.

Journal Information

BioOne Access to *Journal of Raptor Research*: <https://www.bioone.org/loi/rapt>

If you have questions or are unable to see this link:

- Are you a current member of RRF? If, not join or renew your membership. The BioOne link will be updated to your account within a week. It's a manual process for us so please be patient!
- The BioOne link will not work if you copy and paste it into your browser. You must be logged into the membership page and click on the link each time you want to access the journal.
- If you have questions about your membership status or can not see the link in your account, please contact the OSNA membership office at OSNAmembers@gmail.com. OSNA manages the membership database for RRF.
